- All activities were great and all of them make me feel good. Maybe the opportunity to work and spend time with people from other countries was the most positive point.

- Not being able to go swimming on Thursday because we had a karaoke night – BUT that was alo an extremely positive experience so I don't have anything to write here ☺

Finally, please add any other comment/suggestion/recommendation that could be useful to improve the course:

- Kad sam prvi put radio plan edukacije za Crnu Goru poručili su mi “Bre, daj ljudima veće pause da se odmore i družu” ☺. A u početku sam imao plan i tajming kao vi, poslušao savjet i isto sve stigao ☺
- More cultural programs
- Thank you very much for all!
- Good luck for future generation!
- To adjust that project document to educational institutions. Ed. Ins. Usually write their plans with the columns WHO, WHEN, WITH SUPPORT OF, or just give the instruction that participants are allowed to change the form.
- Jazičnita ograničuanja (na hrvatski i engleski prezentaciite i predavanjata da bidolat)
- Organize a trip to Kumrovec or Zagreb – people from the region all want to see Tito’s village or the capital city

Thank you for your contribution!
